

## Sacramento River Cats Vs. Edmonton Trappers

Wednesday, June 16th

OTS Coordinator David Doucette started the game off by throwing out the first pitch on the inside part of the plate, just above the knees. Str-r-ike!

A tiny River Cats fan teaches Vince & Larry a thing or two about traffic safety during the 7th inning stretch.

Young fans enjoyed a new giveaway from the OTS: a travel size tic-tac-toe board! This lightweight game keeps the little-ones entertained during the game--and on the car ride home!

CHP's Johnson Wong shows parents some of the giveaways that OTS has on hand for kids. From glow key chains to scratcher tickets and tattoos, these items aren't just fun--they also provide kids with important tips that will help them play safely at home, at school and outside.

Even CHIpper can't help but join in the fun behind the OTS booth at the River Cats game. Kids love to say hi to CHIpper and see what fun items the OTS and CHP have to offer.
